

## Miracle League

This semester Rotaract of SDSU was invited to facilitate the Miracle League games at their new field at Bell Middle School! After sponsoring teams for the past two seasons with the support of local Rotary Clubs, we are excited to bring our partnership with Miracle League to another level. Miracle League is a non-profit organization dedicated to hosting super fun baseball games for children with disabilities. SDSU Rotaractors will facilitate the games every Saturday until November by taking on the role of announcer/commentator, keeping score, running the snack bar, selling Miracle League merchandise, and being buddies with these amazing kids! Here are some pictures of the first three games of the season!

## Life Rolls On

Pictured above: (left to right)

Darren Wilson, Mathews Kolberg, Marina Aragao, Renata Valente, Cat Kricorian.

Life Rolls On hosts an incredible nationwide event for persons with disabilities to surf on adapted boards called 'they will surf again!' We were at their last stop, La Jolla shores, with Surfers Unite Rotarian Fellowship and hundreds of other volunteers. It was a lot of fun to be in the water bringing the boards up to where people would catch the waves. There were surfers who were 4 years old and going with their parents for their first time, and there were surfers who were 60+ years old doing this for their third year in a row.

## La Mesa Tea Fundraiser

At La Mesa Sunrise Rotary's annual Fall Tea Fundraiser, volunteers helped serve tea and desserts to the attendees. Rotarians shared and listened to the presentations from this year's fundraiser honorees. It was a special event, and many Rotarians were very intrigued and excited for this next year's upcoming fundraising events!

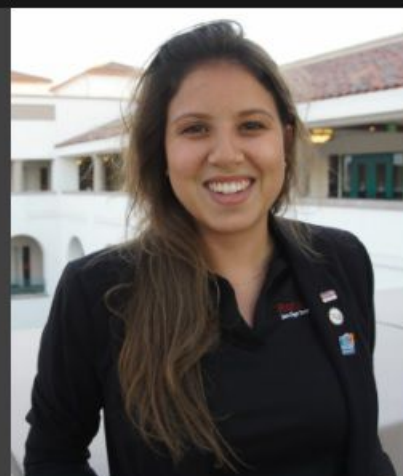

## Fall '17 Members

Congratulations to our Fall '17 Members who finally got pinned at our first business meeting! We are proud to have all of you officially apart of Rotaract of San Diego State University.

- Abdurahman Mohamed
- Angelica Espinoza
- Brianna Ruloma
- Charlotte Roberts
