

UPCOMING BUSINESS MEETING!

ROTARACT OF SAN DIEGO STATE UNIVERSITY

Rotaract

San Diego State University

Our next meeting will be Tuesday
October 11th from 7:30-8:30pm in
the pride suite!

We will hear from our guest speaker, **Dr. Amy A. Adome**, the current Senior Vice President for Sharp HealthCare. She works to maintain and improve the care the patients at Sharp receive, as well as the quality in which they receive it!

Summary of last week's meeting with Marisol Alvarado

At our last meeting, Marisol Alvarado, the Vice President of programming at Monarch Schools, discussed her belief in a "strength-based" approach. She mentioned that when you look for strength, you find it, and when you look for deficit, you find that as well and people will notice. Additionally, she talked about the difference between homelessness and being unhoused, as well as ways to promote more community and support for underprivileged children and families in San Diego.

Also, don't forget to check out the Rotaract Member Drive for more Info!
