

ROTARACT OF SAN DIEGO STATE UNIVERSITY

ROTARACT RECAP

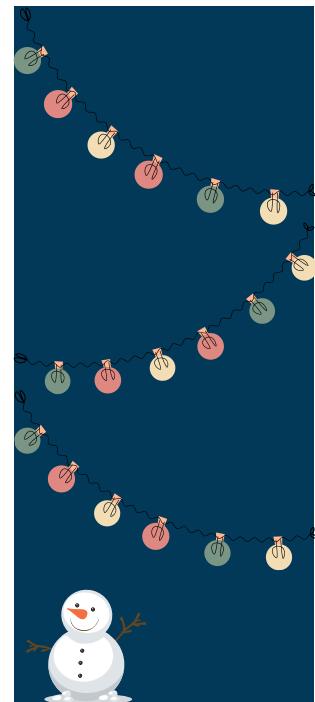

Here's a recap of what Rotaract did throughout the past couple of weeks

Winter Banquet

ROTARACT CELEBRATES ANOTHER SEMESTER TOGETHER

In December, Rotaract hosted its winter banquet for all members! To start off the night, we had pizza and appetizers, followed by superlatives and various awards. We then pinned the new incoming class and ended the night with an intense game of white elephant and karaoke. We had a blast and can't wait for the spring banquet!

Ice Skating Social!

MEMBERS GET TOGETHER TO ICE SKATE

Members of Rotaract came together to ice skate at Liberty Station! This was a great opportunity for current members and newly admitted members to bond and get familiarized with everyone in Rotaract. Members walked around Liberty Station, got food, and ice skated. Great way to start off our winter break!

UCSD WAPI Project

MEMBERS COLLOBARATE WITH UCSD FOR WAPI PROJECT

Rotaract members collaborated with UCSD Rotaract for the 10th annual WAPI Project event. Students came together to create water pasteurization indicators to resource deprived communities across the world. This was an amazing event and we can't for next years!

First Meeting Back!

MEMBERS GATHER TOGETHER FOR
THE FIRST MEETING FOR THE
SPRING SEMESTER

Rotaract had its first business meeting on January 23 in the Pride Suite. This was the first official meeting for the newly admitted members and was a great chance for all members to interact. Our directors of social activity created some ice breakers and fun activities for all of us to do. The executive board then gave their reports and meeting concluded. We can't wait for more!
